From the desk of

JIM & FAY BATES, presidents NNJSDA

"During our time on the Board, and especially since serving as President, we have become increasingly aware of the situation. But during the last few weeks, the fact has really been driven home to us: SQUARE DANCERS COMMUNICATE...to others, among themselves...and unselfishly.

We have received so many expressions of good will and friendship: remembrances in prayers, cards, phone calls and letters that we are amazed. And we thank you, one and all, for your thoughtfulness.

(The mere fact that these tidings came at a time when the patient was flat on his back, completely helpless and could do nothing for himself - makes each one of these expressions more precious than anyone can realize.)

The significance to us that Square Dancers would take time from their busy schedules to forward warm wishes, underscores what Square Dancing is all about: "Friendship is Square Dancing's Greatest Reward."

2 & 4 Thursday

Under the leadership of our new Presidents, Gale & Al Spinks, a very enthusiastic group raided Leisure Squares in October. Our Halloween dance with Bill Wagner was a lot of fun. The 18lb. turkey, plus all the fixin's for a dinner, brought out a hungry group to our Harvest Ball in November. We have a great schedule of callers and cuers lined up for the coming season. Please see our ad on page 5. Please note on second Thursday we now dance to our regular club caller Wilson Hoff with a QS & +1 workshop 8 - 8:30 and Bill Bleam & Peg Dockry sharing rounds with a r/d teach 7:30 - 8 PM. On fourth Thursday we will dance to guest callers and rounds will be at 7:30 to 8 with Jean Elrod. We hope you'll join us for some of them. Wishing our square dance friends everywhere a very happy Chanukah and a Merry Christmas. Happy New Year.

3rd Friday

Bryan School, Brookside Avenue

A large and lively group turned out in September to welcome our new club caller, Bob Johnson, and our new officers. All were particularly delighted to see guests Fay & Jack Wadlow, former members now living in Florida. After a couple weeks of meeting and dancing with old friends, they wound up their visit north at the Big "D" Weekend & then turned their car towards the Sunny South. By the time this issue appears we will be looking forward to the Autumn holidays, culminating in the New Year's Eve S/D Party. What better way to say - Bye Bye 1978, Hello 1979.

See you there and at Bryan School on the third Friday of each month.

Our first dance of the year opened with a "Bang". We had a record breaking attendance to greet the new caller, Stan Zaczkowski, who made sure everybody had fun, including new graduates and rusty-summer-lay-offs. At the Friday the 13th dance, all who were there, earned their "black cat" dangles. The "Mini Trippers" paid a mini trip to Hix & Chix in October. Watch for future announcements of our next "Mini Trip". Come and join us and dance your way to a special "Mini Trippers Award". Our new slate of officers, include Frank & Marie Poole, our life members, who graciously accepted the co-presidency with Dave & Dot Pangburn; Dave & Dottie Pinand our new VP's; & Dick & Dot Meyers as treasurers & the new secretaries are Rod & Jo Terminello. This new group, with our new caller, at their first meeting discussed and made plans for more fun frolic & interesting dancing, especially for new graduates and other friendly and fun seeking dancers. If you wish to make new friends & have fun while dancing, come visit us. You'll be glad you did! reporters-Rod/Jo Terminello

The last NNJSDA summer dance was extra special with the awarding of FREELOADER dangles to 55 1978 graduates who had attended 8 or more of the 10 Association dances. Staten Square Set even gave their ladies special recognition corsages. We've had 444 dancers who have qualified for Free-loaders since the Association began the program in 1968. Nine of those eleven years have seen graduates from Staten Square Set & Sussex Spinners. Interesting that Stan's Patriotic Squares, only two years old, has already had 12 freeloaders. And a hearty welcome back to LYLE & HELEN VAN DORN past president of Merri-Eights and AL & SUSIE WILSON who were one of the original Free-loader/Patrons in 1967 (did you notice his other badge?).... Remember Free-loaders, you are entitled to attend all NNJSDA dances now thru May 1979 free (except the Mini-Festival). Happy dancing...

Our opening dance was exactly what we at Swingin' Stars feel a square dance should be - a happy occasion! It was so nice to greet old friends and to welcome new ones. Manny Amor opened our season and it was good to see him back at Swingin' Stars. He noted there were many new faces since he & Dick Jones had shared our twice-a-month bill. But those were other times. Bill Chamberlin of Farmingdale, NJ will be doing our November dance and Clint McLean, who is well known in these parts, will call our Christmas dance. With the above in mind- the round dance buffs start at 8 - the squares start at 8:30 - we can look forward to another happy evening. See you around a square. reporter - Connie Woolf 212-TR7-8853

1 & 3 Saturdays Holy Child Forum, Amboy Road & Arden Avenue

With your right hand, reach over your left shoulder and give yourself a pat. Relatively few clubs in the Association can boast of more than 25 years of existence. SSS can be proud of celebrating its 29th Anniversary the third Saturday in November. Merely celebrating years is not the key however, a club must also exhibit warmth, friendship, good companionship, a good level of calling and cooperation among its members. For us this is a natural occurrence, and it's difficult for me to foresee anything else other than continued success. We could not achieve this success however without the superb calling from that Jumpin' Jersey Jester Manny Amor and his beautiful Taw Jackie. We could always count on Manny to come up with an innovative idea or call and to be a active participant in the fun & friendship which we so proudly boast of.

Square dancing is half the fun. The other half goes to our very capable Round Dance leaders Ron & Ree Rumble. It's a pleasure to whirl through the dance with Ron cueing.

Special Announcements - Mark these three dates on your calendars - the NNJSDA MINI-FESTIVAL in Caldwell College, the fifth. A full day of dancing to Glenn Cooke, Kerry Stutzman, Red Bates & Ed Joyner. Then our Christmas Dance when we will glow with Rudolph's Nose and the third one when we proudly present Ed Fraidenburg of Midland, Michigan - the latter two on third Saturdays. Please join us at any of our dances and allow us to share the pleasure of your company.

U.S. LEXINGTON, AIRCRAFT CARRIER

Instead of "Rockin' on Rosalie's Boat", 69 Merri-8's traveled to Bayonne to the Marine Ocean Terminal where they boarded the U.S. Lexington. Captain McDaniels welcomed everyone aboard the ship. Glenn Cooke called several club level dances and then the sailors were invited to participate in learning to dance. With all the pretty women in their colorful dresses, they had no trouble getting the sailors to join in the

fun. While dancing, some of the Merri-8's saw themselves on TV which was being shown aboard the ship "live". This was followed by a tour of the ship and then dinner in the mess hall with the crew. It was delicious & a good variety. Dick Hassler planned the trip.

SOMERSET HILLS SQUARES -- Basking Ridge, N.J. (+2)
2 & 4 Tuesdays Cedar Hill School, Peachtree Road

In the early seconds of the first tip of our opening dance Carl Hanks got the squares into a Thar formation. Then, he promptly called Remake the Thar. No fooling around! Right into call #11 on the Mainstream +2 11st! If +2 is your definition of FUN, Somerset Hills is the place to find imaginative, rhythmic and lyric calling by Carl Hanks. If you aspire to +2 dancing attend our Stepping Stones dances with Bob Tarrant calling (see ad, Pg. 19). Our first S.S. dance in September drew 7 squares from 11 different clubs! 7-11 sure sounds good on a first try! However, we'd like to see MORE dancers take advantage of Stepping Stones to increase their skills. Want more details? Call Jack/Hazel Fallis 201-469-6623.

Our club and the whole North Jersey area lost two talented and dedicated square and round dancers when Bob/Nancy White moved to Casper, Wyoming early this fall. Those Casper clubs sure are lucky! Much health and happiness in your retirement, Bob and Nancy!

Three cheers for Caller-Teacher Bob Tarrant, VP's Dave & Marti DeGraaf and their helpful assistants, Dick & Louise Beiz, Jack & Barbara Bobeng and Harry & Ruth Knutson for their fine efforts in getting our class of new dancers off to a great start. Many thanks also to the angels who are helping this most necessary activity in all of Square Dancing!

This dangle causes a lot of conversation 'Let Us Speak Together' for the leadership seminar sponsored by NNJSDA. The future belongs to those who prepare for it and 210, including 16 presidents, are preparing for the future of s/ding - representing 39 (31 Ass'n. & 8 non member) clubs. Separating into many groups for discussion/suggestions on a variety of topics - graduates, show & tell, publicity, administration, finances, insurance, Callerlab, levels, demonstrations, GRAND SQUARE, teaching, problem dancers, camping, insurance, hospitality, posters, classes, etc, etc, ...we ran out of time....Bruce Busch called an interesting Level dance from B thru +1 & proved challenge exists at every level. All present enjoyed the entire program from Steve Musial's "Let's Find Out what we want and where are we going" to Bruce's "Thanks for coming" at the last tip. SEE SAW SQUARES -- Upper Saddle River, N.J. (+2)
1 & 3 Saturdays Old Stone Church Ed Center, E. Saddle River Road

With summer come and gone everyone was anxious to get back in the swing of square dancing and this was very much in evidence at the open dance. Our new hall in Upper Saddle River, New Jersey, was full of happy, laughing dancers and included nine squares of regular dancers and three of guests. With our own Jules Pozsar at the mike, it was not long before the guests were joining in and everyone was having fun dancing with the end result that Jules now has his next class in full swing. We believe that Jules is one of the better teachers around and we always look forward to welcoming his graduates into See Saws.

An exciting year has been planned for us including "specials" on Thanksgiving and Christmas (see page 13 for schedule) and in March we will be celebrating our 10th anniversary with details in future issues. Our new officers, Killions, Hayes, Weisses & McVickers have really worked hard & the result will be a year of good dancing, good hall, good food & good friends, and all these goodies together make See Saws the place to be. Rounds by Shearwoods at 8 and squares at 8:30. Our welcome mat is always out so please visit us soon. Happy holidays and a year full of wonderful s/d memories to all and congrats to Jules & Martha on the birth of their new grandson, Christopher. reporter -Audrey Hauser

ELSIE McCUTCHEON has been an active and loved member of the NNJ S/D scene for over 15 years. She was on the NNJSDA Executive Board... belonged to several clubs & worked in all of them - as officer, delegate, refreshments... Elsie was always willing to pitch in and help.

Sadly during the past months, she waged a losing battle against illness. In & out of the hospital, weak and in pain, finally on October 9th she died.

Her memory will live long in our hearts - People like Elsie help make square dancing the warm, friendly activity it is & we will always be grateful for having known her. Her many friends in square dancing offer our condolences to her sister and their families.

 2 & 4 Thursdays Blake Hall, Cook College, Rutgers Univ.

Hi! Early September was the date of our semi-annual Hilo. It was great seeing student members who had returned to school the week before. We also had a good number of new members sign up for our fall semesters lessons. We had our first special of the year in October with Jack Lasry as guest caller. A big enthusiastic group attended and everyone left happy and tired! Keep dancing & smiling. 😊 reporter-Helen Wells 745-0580

We opened the Fall Season with our Dessert Dance. The refreshments were provided by the ladies; each one was asked to bring a dish of her favorite dessert - enough for eight people. We're still trying to figure that out. The pastry-cook and her partner makes two; guests dancers from other clubs, perhaps another two; but the eight portions disappeared - & fast! At the end of the dance, the plates were bare. Did anyone see the Cookie Monster? By the way, the location of that dance was strictly a one-night stand - all future dances will be at our regular location - St. John's Lutheran School Manor Road & SI Expressway.

We were one of several clubs sharing the s/d demonstrations at the Old Home Week celebration at Richmondtown in October. We are trying something new for us this year. Instead of a beginners class, we are sponsoring a workshop at Mainstream and Experimental level, every Thursday night at the K of C Hall 300 Manor Road. We welcome more dancers, but only if you plan to attend regularly. Call Joe or Florence DiSano at 212-761-2451, or show up next Thursday night at 8 PM.

This workshop, established and co-sponsored by CCNJ & the NNJSDA has started its second season. Designed to return drop-outs to Square Dancing again at their home clubs and as a refresher course for all dancers who feel the need of it, we currently have 3½ squares and moving towards four. Our dancers are very enthusiastic and happy and their attendance is good. We can accommodate many more drop-outs. What a lovely fall day we had for our club picnic. We All enjoyed the delicious food, fun and fellowship. Some of the other park visitors enjoyed watching us dance under the pavillion - we know because we observed them going backwards down the hiking trails to catch a glimpse of our group! We had a nice turn out for our open house and our classes are off to a successful start under the able direction of Wilson Hoff.

We're glad to see Margaret Braggart back dancing looking fit and trim after successful heart surgery this summer. As if Sally Hoff hasn't had enough - she took her car on an unexpected trip down an embankment - totaled her car, fractured her arm but came out smiling and saying how lucky she was. Come on Sally, enough is enough. Ev Adams looks great and we're glad to have her back at our dances with Jim Adams our club caller. Receiving the banner for our club for the most attendance at the September Association Dance was a thrill for our VP Fay/Ray Weiler.

We're looking forward to our November and December dances with Tim Ryan, Jim Adams and Stan Zaczowski - won't you join us? See ad on p.38.

We're off to a great start, with our first dance, called by Lee Kopman. Seventeen happy squares danced to his expert calling. The round dancers also enjoyed the cueing of Bob & Lynne Gordon, and we were happy to see a lot of faces we hadn't seen all summer.

Our open house was a success, and Bud & Ginny Allison report a beginners' class of better than three sets. We were asked to put on a demonstration for a church group in River Edge in October. And, as usual, at this time, we are looking forward to our annual dinner dance, which will be a fond memory by the time you read this.

Our best wishes for a speedy recovery to our president, Les Manuel, who has just had eye surgery, and is doing very well.

Community Park School, Witherspoon Street

Fall is here and the Princeton Squares has jumped quickly into the season. As of this writing, Bruce Busch has called two great dances for us, including our Open House. If our turnout is any indication, there are a lot of future square dancers out there who we will be welcoming into our club come Spring.

Our club members have also been seen dancing at Quaker Bridge Mall and the Delaware Valley Convention this fall. We have a number of dancing families in our club and it's great seeing these families out dancing together. I'm sure our teenagers would welcome seeing other young faces so come visit us and bring your dancing offspring. Question: Are our newlyweds Paul & Sharon Bryan going to become a "dancing family?" Congratulations on the beginning of your life together.

Our sister club, the Stepping Stones, has begun meeting on Tuesday nights and is enjoying the super calling of Fred Fields and Joan Mills. They would love to see you if you have a Tuesday night free and are dancing from class level up to the Mainstream +1, +2 levels.

Question: Did the Copes and Steeles enjoy LUST? We heard it was a super seminar. Bruce Busch will be calling our dances through early December with Bob Gordon cueing the rounds for one dance and Tom Cribbin for two others. And start planning now to be in Princeton the fifth Friday in December for our traditional Holiday Fling with Chuck Stinchcomb and Ron Rumble. We'd love to see you anytime - so come on over.

2 & 4 Fridays Guthrie Scout Hall, 42 Brighton Street

Hi! This season started with a "Merry Mainstream Menage", our own Mike Cleary called. It's great being back at our old stomping grounds and seeing many old familiar faces. The old Friday the 13th - bugaboos were Banzonga'd by the one & only Frannie Heintz. Chef supreme Glenn Cooke will have added to our fun & frolic by the time you see this.

Haven't danced for awhile or just feel a bit rusty? O/W have decided on something a little different for us. In our tradition of friendship & fun, we are having a basic to mainstream workshop, welcoming back our old friends and eager to meet new. Workshop will be held alternate Tuesday nights, 1st & 3rd at the scout shack. Mike Cleary calling. All welcomed.

The Fall is "demo" time out our way, dancing at the SI Mall, Conference House, & the Tottenville Octoberfest. It's always fun to show off (a little bit) for the non-dancers. We are looking forward to a Happy Holiday season dancing to Earl Johnston, Jerry Schatzer, Mike Cleary & Dave Hass (see our ad, page 58). Wishing one and all a healthy, Happy Holiday season. INSURANCE

Has your club renewed its liability insurance coverage under the NNJSDA Insurance policy with the Selected Risks Insurance Company? If not - and you forgot - immediately contact ED BELL. Renewal forms were distributed to all clubs, thru their delegates, at the Sept. Delegates Meeting.

It is imperative the Insuror have up to date/correct names/addresses of your current officers - those who are responsible for the insurance program of your club. If your s/d class is being held at a location other than the one at which your club dances, send in class location, too.

Exerpts from ED BELL's comprehensive report given at the Delegates Meeting - 25 clubs (with more applications pending) and the NNJSDA have taken advantage of Association Liability Insurance program.

One of the most frequent problems - a club losing its Insurance Certificate. This is a valuable piece of paper - put it with records to save, but readily available. Designate an officer with this responsibility.

If you must send a copy of your club certificate when renting a hall, allow a week to ten days for the Insurance Company to comply with your request. Copies of your club insurance certificate can not be supplied with the name of other organizations on it, nor can such riders be supplied. All requests - applications, etc. are to be handled by the Insurance Committee or NNJSDA Treasurer. Make/send checks to the NNJSDA treasurer after you receive your invoice.

"Is our club (members) covered on a "Mystery Bus Ride?" No coverage is extended during the bus ride, or boarding or getting off. Ride with a bus company that does have the necessary liability coverage.

"Are our members covered at out of state locations?" Yes, as long as the dance was club sponsored and the visited club will accept the certificate of Insurance issued by an Insurance Company not licensed to do business in that State. You would also be covered as guests under the policy of the club you were visiting.

"Are spectators who dance covered?" Yes, provided the dance in which they participate is a club sponsored event.

Insurance Committee Chairman - ED BELL RD 2, Box 829, Andover, NJ 07821

Mention the 27th National S/D Convention in Oklahoma and you stir up all kinds of memories. To Aida/Pete Boccaccio & Dora/Ed Foster (who taped the entire Press Breakfast for we who had to remain in NJ) our thanx for setting up and manning the NNJSDA exhibit -

REELERS - Hofffs, 2 Weilers, Douglas + Scot, Boutilette & Kara Cuthbert - led NJ in the Parade of States.

The colorful foliage met our colorfully dressed dancers to start the new season. Many of our friends attended our opening dance which had more squares than ever before. The first week in October was especially pleasurable - beginning with many of our members participating in "Millbrook Days". This was the fifth year the S/D demonstrations and audience participations had taken place on the first weekend in October in this beautifully restored 18th Century village of Millbrook. Then on Wednesday we had our 6th Anniversary Dance. Many friends and guests joined our group and relished our attractive delicious Birthday Cake and other delectable goodies. Speaking of Goodies, our very Good Fun Squares are called by "Our Good Ole" Dick Pasvolsky and the "Good Ole" Elrods, Jean & Jesse cue the rounds.

Within a few days of your reading this, we will have our Annual November Special with the always enjoyable JIM ADAMS. Come enjoy this dance with us. Report by the Committee on the Use of Excess Funds by the NNJSDA.....

1. The committee believes that the NNJSDA should, in addition to services it presently performs, be prepared to offer monetary assistance, finances permitting, to any member club in good standing deserving of such assistance.

2. To develop the program of monetary assistance, hereafter referred to as "LOAN PROGRAM", the committee recommends.....

a. A special committee be activated by the Presidents of the NNJSDA to be responsible for the general management of the Loan Program.

b. The committee shall be known as the Emergency Loan Committee and be composed of the following members: NNJSDA 3rd VP's as chairpersons, NNJSDA Treasurers, 3 officers of Association member clubs in good standing. It is recommended that the officers chosen be knowledgeable in the financial affairs of their club. In addition, an effort is to be made to select such officers from clubs who at some time experienced financial difficulties.

c. The Emergency Loan Committee shall develop its own guide lines to determine the validity and merit of requests for financial assistance under the E.L.P. from Association member clubs in good standing.

d. Any financially depressed Association member club requesting assistance must do so in writing to the Presidents of the NNJSDA who will immediately refer the request to the Emergency Loan Committee Chairpersons. An investigation of the financially depressed club shall be performed by the Emergency Loan Committee (E.M.C.) as soon as possible.

e. The E.L.C. shall make the final determination on any loan authorization and be empowered to distribute funds to financially depressed clubs on approval of a majority of the committee members. Authorized loans shall be repaid within a reasonable time, but in any event, shall not be outstanding more than one year.

f. The E.M.C., through its chairpersons, shall keep the Association Executive Committee and the Association Club Delegates informed of all actions taken by the committee.

g. Considering the present financial position of the Association the committee recommends that the sum of \$1300.00 be earmarked and used to assist financially depressed clubs who in the judgement of the E.M.C. merit financial consideration.

3. Considering the present financial position of the Association the committee also recommends that the sum of \$1000.00 be donated to the N.J. Association for Retarded Citizens over a period of 4 years at the rate of \$250.00 per year commencing with the 1978-79 dance season. In addition, the committee further recommends that the new proceeds from one Association Special Dance, commencing with the 1978-79 dance season and continuing over a period totalling 4 years, be set aside & donated to the N.J. Association for Retarded Citizens.

The manner in which the donation are to be made is left to the discretion of the NNJSDA Executive Committee. All donations are to be given proper exposure in the news media with due recognition given to square dancing and/or square dancers of the NNJSDA.

By a vote of 26 to 6 the delegates voted to accept this report given at the September 24, 1978 delegate's meeting. The actions requested will be put into operation as soon as possible.

HIX & CHIX (and CONNIE WOOLL) to the rescue-

Monday evening, Aug. 28, Connie Wooll received a phone call from MERLE MEYER in Montreal, Canada! She was leading a group of dancers from Australia who would be in NY later that week & were hunting for a dance.

Hix & Chix was the answer. Regardless of bus renting problems and despite fog and rain, with Louis Lorieo leading in his car, and the bus following the leader, all reached the K of C hall approximately on time for Hix & Chix- & a most warm welcome. It seems most of the 30+ guests were from the same club in Sydney! They showed the exhibition R/D they had done in Edmonton at the Canadian National S/D Convention. One of their callers called a tip, & a very young girl did a singing call.

Instead of pinning a banner, they pinned their mascot doll which they carry around with them. Hix & Chix pinned her with a club badge & the visitors pinned the club banner with a badge from their club in Sydney. This was the first regular club dance they had attended in the US; they liked the friendliness shown and those there certainly liked theirs. Any one for returning their visit?????

CALLERS — to clarify some of the more complicated figures with just a few people looking for extra help without having to get a demonstration square together. A real boon to the caller wanting to work out new ideas.

TEACHERS — to more clearly show just how a call is to be danced without depending entirely on vocal instructions to novice dancers. A valuable supplement for new classes.

ALL LEVEL DANCERS — to work out the call you just learned or one you want to recall and settle more firmly in mind. The pieces may be moved as in a game of solitaire or with just you and your partner or any size group gathered around a flat surface. By using just one game piece you can test your own ability and understanding of current calls by ending in the correct position, facing in the right direction.

KIT CONSISTS OF: A set of 8 matched hardwood dancer figures (4 boys and 4 girls) with magnetic bases that will hold position on any steel surface such as ordinary TV tray tables. Instructions and coloring materials to designate partners and corners at a glance. A two color, 12" square layout in durable coated material, significantly numbered for positive positioning and facing direction. Self-examination test on the basic movements and worksheets for developing new ideas.

PRICE: **\$7.95** Plus \$1 postage and handling

every Thursday - year round

K of C Hall, Bridle Way

This is starting out to be quite an exciting year for us. At a recent meeting, the Officers and Board unanimously awarded Elly Tout a lifetime membership in Hix & Chix in recognition of her service to the Club as an active Charter Member. Congratulations Elly and thanks a million for all your wonderful help.

In August we had the pleasure of a visit from a group of thirty-six dancers from Down Under who were touring Canada and the US. They all belong to the Sparkilate Club, Normanhurst, New South Wales, Australia. Their caller was David Todd who called a few tips for us - combine that with Mike Foley's calling and you know we had a great night. The biggest teach of the night was "yellow rock".

We are all happy to spread the news that our "godchild" has arrived. Jeff & Linda Walker became the proud parents of Christopher Dean Walker on September 10 at 9:35 pm, weighing in at 9 lbs, 3 ozs. The lucky winner of our contest was Mrs. Torlaug Stolte of SI who guessed the baby would be male, born on September 10 at 9:35 pm and weigh in at 9 lbs, 3½ ozs! You can't get much closer than that.

Hix & Chix welcomes all of you every Thursday - rounds at 7:30 and the squares at 8 PM. We are planning a Christmas Dance the second Thursday in December - you'll come. See our ad on page 6.

yes, YES, YES! There will be a float in the 1979 Tournament of Roses Parade in Pasadena.

Still in the red (\$8,000), the committee was so encouraged by all the letters & donations they've received, they have plunged in for the fourth consecutive year. This year's theme - "Our Wonderful World of Sports". They have designed "After The Game" with a gym &

couples celebrating at a Victory Dance. The caller figure on the stage will be in the likeness of caller & promoter of western style s/ding Ed Wilmore. Thru the sale of badges, a float raffle with three first prizes of a trip to California to see all the festivities!! and stick on roses (\$1. contact the Tirrells) and float the float dances, the committee hopes to eventually come out in the black.

Stick on roses will be on sale at the Mini-Festival. Anyone interested in helping Float the Float at their own club, contact the Tirrells or write John Fogg % Square Dancers of America PO Box 2, Altadena, California 91001. They can use all the help you can give them.

LEGACY "Economics, Ethics & Education" - 3 big E's of prime interest among S/D leaders today will be the theme for LEGACY IV. All are aware of the rising costs of everything from gasoline to public address systems but while the cost increases, s/ding remains one of the bargain buys in the world of recreation. How to keep it a "bargain" will occupy at least 1/3 of the time at the May 10-13 LEGACY Convention. The trustees of LEGACY, delegates to the 4th conclave being held in Louisville, KY, will also be talking about ethics and the role it plays in all phases of the s/d scene. Education could in itself occupy the entire time of the 300 delegates. Caller training, r/d leader & prompter education & dancer leadership courses will all be brought into the discussions. LEGACY is an invaluable communications system aimed at providing the information & tools so needed by clubs and associations. Pictured are LEGACY Trustees who helped with the NNJSDA leadership seminar LUST.

Fall is here and what would Fall be without square dancing at Hanover Squares? The season has gotten off to a great start. Dances by Will Larsen, Jerry Schatzer & John Kaltenthaler have been big successes. See our ad on page 42 for the rest of our dances. It is nice to be back in the "swing" again seeing all of our s/d friends. It has been especially good to see Margaret Mragger back dancing after successful heart surgery. You look great Margaret and we're all glad to have you back.

The members have been busy with many activities this Fall. Demonstrations at the Dover Art Festival and St. Clare's Harvest Festival brought an enthusiastic group of onlookers whom we hope will be prospective dancers. When people see how much fun we have dancing, it's hard for them not to catch the s/d bug too. Our annual Fall picnic was in October. Chairpersons Rich/Carole Sanderson did a fine job of organizing and a good time was had by all who attended. Our classes got off to a good start with an Open House in September. It was good to see so many of last year's class back to help out as angels. As usual Dick Maddocks got the class off to a great start by teaching his favorite call - Rip and Snort. What's a Rip and Snort you say? Well come out to our fun sessions on Mondays and find out while having a great time in the process.

Plans are already in the making for our annual New Years Eve Dance. This year the caller will be John Kaltenthaler. It will be an evening filled with good food and good dancing and a great way to welcome 1979.

A note on the serious side. Hanover extends its condolences to Karen Shaw on the death of her fiancée this summer and its prayers and good wishes to Ed/Gerry Kehoe's son Terry and Rosemary Garvey's daughter who have both been ill.

Well as we complete this, leaves are already beginning to fall and it's time to get out the trusty rake for another "fun" season of raking leaves. Probably by the time you read this the trees will be bare and we will all be into preparations for Thanksgiving. With that in mind we wish all of you a Happy Thanksgiving and a beautiful fall. We are thankful for square dancing and the many fine people we have met through dancing. We'll look for you on the S/D floor. reporters - Jim/Annette McGrory 201-539-4715

A big thank you to all the dancers who made our first dance of the season a success. We especially want to thank a dedicated couple who attended most of our dances throughout the years that they have been dancing even though they were not members, Bob/Nancy White. Bob & Nancy will be leaving our area for greener pastures in Casper, Wyoming. Lots of luck!

Now to you other dancers who are looking for a good night of dancing, visit our club and bring a friend. Anyone wishing to join our club see our treasurer at the next dance. reporters-Ray/Aggie Milesky 201-334-5570

How do you spell Square Dancing, Fun and a Good Time? We spell it C-R-O-S-S-T-R-A-I-L S-Q-U-A-R-E-S, join us at one of our dances and see for yourselves. Charles Kides did a super job of calling at our September Dance in place of Jim Cargill, sorry you didn't make it Jim. Due to the Thanksgiving and Christmas Holidays, we will only be dancing on the 2nd Wednesdays during November & December.

The new class under the watchful eye of Dick Maddocks is progressing very nicely, and we will be looking in on them from time to time, keep up the good work. Join us at our Christmas Dance, we'll be looking forward to seeing you there. Wouldn't be a bit surprised if Santa paid us a visit too. (See our ad on page 10.)

All of us at Crosstrail Squares would like to wish all of our friends a very Happy & Healthy Holiday season, and lots of fun dancing during the coming year.

The new dancing season started with several changes at CBS. The decision to have a regular club caller in the person of Jules Pozsar is expected to raise our level to a solid M +2 with some advanced 1 by June (ED NOTE-change your heading level, please!). There will be a workshop tip at each regular dance, and it is felt that our having a regular caller who is also a good teacher will give continuity to the workshops as the year progresses. In addition, there will be three guest callers starting with Ron Bessette in October. (See our ad on page 4)

Another innovation will be the introduction of the "stepping stones concept" on class night every Wednesday. From 7:30 till 8:30 before class starts Jules will give a workshop session geared not only to new grads, to bridge that troublesome gap between grad and club level, but also to provide an opportunity for all dancers to brush up on the quarterlies or the +1 & +2 movements. Everyone is welcome; watch for fliers or call Frank/Betty Olier 661-1423 for information. reporters-Margie/Wally Cox 667-8411

The new season is now in full swing, and promises to be one of the best ever. Our October special, called by Dick Jones was held at the Herbert Hoover Jr. High to allow for the large attendance. A good time was had by all. Our round dancing, most ably cued by Nancy Nosker, has been gathering momentum. Those who are interested in learning the S/D ROM/s are invited to be at our dances at 7:30 when these rounds will be taught.

By the time this edition of GRAND SQUARE is published, we will have participated in the Metuchen Fair - an annual event in our club. Frank Riviccio was the caller. We know we always are well received by our audience and hope we inspire some of them to become square dancers too, especially when they see how much we, the dancers, enjoy ourselves!

A very special event took place during the summer hiatus. Joseph Martin Kobulyar was born September 6th. Our congratulations to his proud parents, Joe & Marilyn Kobulyar. Our prospective dancer, Joseph Jr. (17 days old) made his first s/d appearance at our September dance. He was so popular that the ladies stood on line for the pleasure of holding him.

Is time moving by faster than usual or is someone playing games with the clocks & calendars? Or could it be a simple fact that time seems to go by rapidly when you are having a lot of fun square dancing? Thanksgiving is right around the corner, yet it seems like yesterday that we had our first dance of the season with Johnny Preston from Utica, Michigan at the controls. Remember that name. Johnny is a fine caller with a refreshing personality.

All of us have heard many times over that square dancing is as uniquely American as Chevrolets, apple pie and mom. Interestingly enough, the Congress of the US has been delaying the passage of joint resolution HJR #461 which would make s.d.ing our national folk dance. How can we get HJR #461 out of committee and on to the floor? One whimsical suggestion is to change the wording to read, "Lee Kopman style square dancing". Not only would the resolution reach the floor...so would all of the square dancers from miles around when they heard that Lee was calling!

Speaking of Lee - one of our ardent researchers made a search through the literature for words that would aptly describe Lee and his distinctive calling style: knowledgeable, kaleidoscopic, kinetic, keen, kind, king-pin, knack, kudos. Kindly note all of these words are alliterative as well as applicable to Lee. The myriad couples (and singles) who make up our club continue to amaze me. Not only do our fellow club members travel great distances to dance every Thursday at an advanced level, many of them are excellent round dancers as well. And what a great job of cueing - and teaching is being done by our fellow member, Tom/Pat Cribbin! In virtually no time at all they have become real PRO's on the rounds!

"Square Dancing is FUN", was the highlight statement on the Fall cover of our favorite S/D magazine, GRAND SQUARE- guess the editors had our club in mind.

We had a terrific dance in October with Carl Hanks calling and we thought the floor was better than the Del Valley Festival. Sussex Spinners raided our group with Alva/Ed Bell winning the beautiful tote bag made by Jody Bromberg. We all had a good time. In Nov. John Hendron is visiting us with his new record releases and geared for our +2 level; he will be followed by Keith Gulley in Dec. and Jerry Schatzer in January. This is a terrific lineup for those who are looking for good dancing, top choreography and friendly dancers.

Membership is open for those who want to wear our cloveleaf with jewels representing the number of years you belong. Come on down and see how many we have wearing more than ten jewels. It tells you something about the club. C'mon down, join the fun. Doc & Peg Tirrell will be teaching the ROM at 8 PM - see you there. reporters-Bob/Lynne Gordon 201-652-6846

By the time you read this we'll have been to Doc & Peg's Big "D" with John Kaltenthaler, Chip Hendrickson & Bob Mitchell on squares. Very little rain this year! Then in October with our Mini with Mike Cleary on squares & Lynne/Bob Gordon on rounds at Winter Clove. If you missed either one, try it next year - Big "D" in September and Winter Clove in the Spring. You might get to like weekends - they grow on you.

Our November dance will be at Reformed Church in CRESSKILL - with Ron Bessette calling with Doc & Peg on rounds. Something extra this year - we are dancing at Mackay School in December and we'll be donating to a charity this dance before Christmas. Come pay us a visit - we'd love to square up with you. This issue THE SQUARE PINCUSHION
gets ready to play 'SANTA'.....

The holidays will soon be upon us and there will
be opportunities to make some gifts for your square
dance friends and still have time to dance.....

Dear Santa,
I'd like to find under the tree:

A cape for chilly dance nights, perhaps
reversible or with furry insides...

or

A knitted or crocheted shoulder capelet
to start the evening out in when the
temperature is set lower

or

A tote bag for petticoats made from
gores of bright fabrics

or

A smaller tote bag to carry dancing shoes
especially when I must wear boots

or

A new skirt perhaps personlized in some
special way

or

A new pinafore to top an otherwise plain
dress to be another outfit

or

A new blouse with pettipants attached for
easier wearing

or

A new vest for hubby to coordinate with
something for me

or

A pair of 'his and hers' bulky sweaters with
square dancer motifs knitted in

or

A promise to baby-sit or a free dinner on
a dance night!!!!

Thank you dear Santa,
Love,
A Square Dancer or Two

P.S. Handmade gifts no matter how small are the
best kind to give or receive. Take time to make
a little something special for a special
someone this holiday season.

It is always held the Friday afternoon after Thanksgiving and will feature afternoon and evening dancing with many well-known callers, as well as the The Fleming Badge Company. There will also be dancing for class level teens. Our admission cost of \$3.00 covers the dancing for the entire day and the dinner. Square Dance attire is required. Any teen 13 years of age and older is welcomed. It is guaranteed good time for all. Hope to see you there!

Read somewhere "Imitation is the sincerest form of flattery." After much groundwork last year by the Nitzsche's & the Rivic-cio's CATCH ALL EIGHTS, a program for bringing back drop-outs, was established. Somerset Hills S/D Club set up a program

geared specifically as a bridge for the graduate mainstream dancer to progress thru QS and +1 into the +2 level of dancing. In this way they hope to help their grads gain the experience and confidence necessary to become happy Somerset Hills members. Now others are following in their footsteps with workshops, or stepping stone groups; Some clubs have a workshop program built right into their regular dance nite. Wonder who'll schedule for the dancer who prefers to remain at B, or EB or M besides Odds & Ends & I D T T's?????

CALLERLAB

The International Association
of Square Dance Callers

The QUARTERLY SELECTION COMMITTEE announces the selection of One figure for the 4th quarter beginning October 1, 1978. The figure is GRAND WEAVE by Ross Crispino. of IL

GRAND WEAVE - From a static square, 4 ladies walk to the right (splitting the corner) crossing in front of their corner and fold directly behind him to become 4 single file columns at right angles. All eight will do a weave through the center as a tag the line movement - each man allows the man on his left to pass in front but cuts right behind him and in front of the lady following him. The ladies pass in similar fashion, allow the left hand lady to cross in front. Man make a right face U-Turn Back and star through (original was written as slide through) with the lady that followed him coming into a promenade position and all promenade exactly one-fourth (one position) and wheel in as a couple to reform the square. Four men have progressed 1/4 to their left. This is 1/4 of the figure & has taken 16 beats. Repeat same action 3 more times for a 64 beat maneuver. The ladies follow in their own footsteps 4 times.

Can be used as "1/4 Grand Weave" or "1/2 Grand Weave". Can also be done as left Grand Weave with men walking to their left & folding behind the ladies, etc. This figure requires exactly 64 beats to execute properly.Some helpful teaching hints would be to have the men wait 4 beats before they start & urge the dancers not to rush it. As the call is written, the girls should walk around the gent & then fold in behind him as the gents start to walk forward. The girls then step forward & they start to walk across as the gents clear the center of the square. It is this weaving through the center that makes this a smooth and fun call when everyone moves together.....

"The Local Caller" from THE NEW ENGLAND CALLER

"You have heard of full time callers, outside callers, travelling callers and so the list continues. I would like to define and defend the so-called local caller. Most important of all, he taught you to Square Dance.

Regardless of the size of the group, he shows up night after night, rain or shine, sick or well, to carry on in his patient way to bring along a class so they can graduate. The Local Caller is the one who offers free calling for benefit dances and demonstrations. This same fellow donates his Sunday to attend meetings and workshops to improve your square dancing. He works during the day for a living and calls at night for a hobby. Contrary to some thinking, he does not laugh all the way to the Bank, but is practicing new calls. He continually studies to give you a varied program as opposed to a travelling caller who can use the same program night after night. He may not have the voice of Caruso or the rhythm of Lombardo, but he does have a good many winning ways that are commendable and worthy of consideration." (Also applies to Round Dance leaders.)

CALLERLAB has identified the following Dance Levels (Programs):

- B Basic Level - CALLERLAB list 1-39.
- EB Extended Basic Level - CALLERLAB list 1-54.
- MS Mainstream Level - CALLERLAB list 1-69.
- QS Quarterly Selections-MS plus the current Quarterly Selections.
- +1 Plus One Level - QS plus the 12 calls listed in the +1 Program.
- +2 Plus Two Level - +1 and the 12 calls listed on the +2 Program.
- A1 Advanced Level One- +2 and the calls listed on the A1 List.
- A2 Advanced Level Two - A1 list and the calls listed on the A2 List.
- C1 Basic Challenge Level - A2 and the calls listed on the C1 List.
- C2 Extended Challenge Level - C1 and the calls listed on the C2 List.

As can be seen from this listing, all levels include all calls from previous lists. It is not the intent of CALLERLAB to try to force anyone to call or dance at any particular level. Clearly, programs or levels beyond QS are not for all dancers. As a matter of fact, CALLERLAB encourages clubs & callers to provide dances aimed at the Basic (B) and Extended Basic (EB) levels for those dancers who dance less often than once a week.

CALLERLAB encourages clubs, callers & festivals to label their dances for the calls that are to be used in a dance program. For instance, if a hall is to be labeled QS, then the caller should use any call found in the Mainstream Program (MS) and the current Quarterly Selection. He (or she) should not use calls from the +1 or +2 lists.

If, on the other hand, a hall is labeled +1 level, the caller may use all calls in the +1 list, the QS list and the MS list. If the dance is labeled a +1 workshop (Program), then the caller should be teaching and using calls and figures from the +1 list. If the intent is to workshop +2 calls, then the hall should be labeled a +2 workshop.

If there is a doubt as to how to label a hall, please write to CALLERLAB telling us what you would like to do and what calls are to be used. We will then advise you as to how we suggest you label the hall. By labeling the halls during festivals and dances, we hope to have a better dance program where the dancers will know what to expect and therefore enjoy their dancing more. It will enable a caller to provide a better program for the dancers by knowing what the floor should be able to handle. No one likes to feel they are wasting their money. CALLERLAB feels that by labeling the dances, in accordance with our recommendations, this concern is reduced,

ROUND DANCE HIGHLIGHTS

Andrew & Wanda MacLeod

Now that the season is underway it is hoped all rounders are enjoying the activity easily. Easily means smilingly and with aplomb. There is a tendency to judge oneself as a dancer by the degree of difficulty of the dance. Wrong. Judge by the satisfaction you and your partner get from doing something you are thoroughly enjoying.

DANCE A ROUNDS

Now that our class is in full swing, we find that we have eight squares of beginners and a number of friendly and helpful angels. There will be special club dances on Halloween, Thanksgiving, Christmas and New Years Eve. We hope to see all of you at some time or another during the season. Five of our couples went on the Big "D" Weekend and had a great time. That same Saturday, 9 couples went on a mystery Raid led by Ron & Sandy Bessette to the Flying Squares of Stratford, CN. Ron was calling and it proved to be a really good evening. We captured their banner and they promised to retrieve it in the near future.

In the next few months we have a lot of specials planned. Check our ad on page 50. The 1st Friday in December we'll be serving frosty snowballs for refreshments to welcome in the winter. The third Friday is our Christmas party and will be free to all class members. Why don't you plan to come and join in the festivities? We'll mark our first anniversary on the third Friday in January and would like to see as many of you as possible. Our callers are Ron Bessette & Bob Mitchell. 2 & 4 Tuesdays

Oak View School - Garrabrant/Sylvan Rd.

Our open dances were such a success we now have a bigger new locality. Come & dance at Oak View School corner of Garrabrant & Sylvan Road in Bloomfield. We'll be looking for you there. Please wear soft soles.

Stan's Fan Club held its annual get acquainted dance, it was greatly attended by novice dancers & club members. We wish to thank all those members who helped make it a success. Our new class began its lessons early October. Under Stan's direction we know they will be top notch dancers. Our summer demonstrations were such a success that we are still receiving invitations to demonstrate at various localities.

Many events are scheduled this season. They are: Our annual week-end at Henryville in the Poconos in mid May. Dick Pasvolsky will be joining our caller Stan Zaczkowski on our fun filled weekend of square dancing & partying. You don't know what you'll miss if you stay home, so come out and join us. Stan will be calling Christmas dances at our club, Tenafly Squares and Ironia Reelers; attend all 3 and receive a special badge - see ad on page 22. We enjoyed raiding different clubs last year. KUNTRY KUZ'NS -- Franklin, N.J.

1 & 3 Saturdays

Presbyterian Church, Main Street

Once more fall is upon us and vacations behind us. All the adventure & fun are but fond memories. For those that haven't danced thru the summer, and feel a bit rusty and out of tune, how about getting tuned up at our workshops...Bob Mitchell calls every 2nd & 4th Thursday in the Presbyterian Church.

Jim & I went to the Big "D" for a beautiful weekend in September. Friday it rained, but Saturday & Sunday were glorious. Bob Mitchell & his wife Diane, John Kaltenthaler & his wife Freddie and Chip Hendrickson were the callers there (excuse me, not the "wives"). Peg & Doc Tirrell called rounds. If you ever get a chance ask Doc & Peg to do one of their specialties on rounds. They are a very smooth, graceful couple on the floor. We don't do rounds, but I love to watch them.

In October at our club we are honoring the secretaries from the S/D clubs. Without them how would we keep up with all the schedules of our dances and the minutes from our meetings, not to mention various other duties they perform. This is our way of saying thank you. Very shortly the holiday seasons will be upon us and the Kuz'ns are wishing each and everyone a happy & fulfilling Thanksgiving and a very Merry Christmas. I hope we see you all before that. reporters-Arleen/JimAhnemann201-729-7513

1 & 3 Wednesdays

Fisherman United Church 226 Bay 35th Street

Hi! This is the start of our second year. So far, so good. Hope we keep growing bigger and better with time. We had a nice turnout at our Class, 5 squares of anxious, eager & willing to learn dancers all ready to Do-Si-Do, plus 2 sets of very helpful angels. It seems like yesterday when the angels were in the same shoes. Thanks for remembering.

Our members are happy with our new schedule. It gives them a chance to hear other callers and have a nice variety. All enjoyed Stan Zaczkowski & Betsy Gotta and now are looking forward to the others. Al Moses is doing our workshops. See our ad on page 51 and mark your calendar now. Our new hall has a nice dance floor, good acoustics and plenty of space for street parking. Please come on down and see for yourself.

Our second annual special Holiday Dance M.A.C.H. (Make A Child Happy) will be the third Wednesday in December. Price of admission is one new wrapped toy labeled Boy or Girl and Age. Toys will be distributed to children in hospitals & orphanages. Guest callers, rounds by Joan/Jerry Newman & folk dancing by Lil Borodkin. Refreshments donated by members. All dancers welcome to come and spend an evening and help towards a worthy cause. Congratulations & Best wishes to Joan/Joe Duffy on their son's wedding. Wishing everyone a very nice holiday. Happy Thanksgiving, Hanukkah, Merry Christmas & a Happy, healthy '79. Edith Moses 212-336-1731

PROCLAMATIONS were received from the Governors of both New York & New Jersey declaring the week of September 18-24, 1978 as Square Dance Week.

Unfortunately both were received too late to distribute copies to our clubs to use with their publicity releases. We thought our readers would be interested in the wording of both proclamations.

Governor HUGH CAREY proclaimed S/D Week in New York saying...."Modern American square dancing provides recreation and relaxation for all ages. This national folk dance is enjoying a wholesome resurgence in New York State with new clubs forming in both rural and urban areas. It is fitting for New Yorkers to encourage participation and support of this excellent form of activity characterized by exercise, music and recreation."

Governor Brendan Byrne declared S/D Week in more formal terms.....
"WHEREAS, wholesome recreation and relaxation is essential for the health and well being of all ages; and WHEREAS, modern American square dancing is the national folk dance which provides recreation and relaxation within the means of all; and WHEREAS, well over six million people participate in this activity characterized by music, exercise and good fun; and WHEREAS, the square dance clubs throughout New Jersey sponsor and promote this activity for teenagers in the form of teen clubs and more recently singles clubs for people of all ages; and WHEREAS, National Square Dance Week is a recruitment period during which all square dance clubs open their doors to all prospective new dancers and marks the beginning of square dance classes throughout the United States....."
